

HERE'S HOW IT WORKS

In addition to our regular markets and farm stands, we also offer a prepaid subscription to receive flowers throughout the growing season. Each CSA shareholder will receive a weekly allotment of fresh flowers over the course of the growing season. A flower subscription can be a great gift for holidays, birthdays, anniversaries, or just as a gift for yourself to keep your home beautiful all summer. Flower subscriptions are also useful for businesses in need of that extra touch. Whether they are used for a waiting room, restaurant table or a reception desk these blooms are sure to bring smiles!

Shares will include a mix of annuals and perennials such as zinnias, snap dragons, sunflowers, lisianthus, celosia, dahlias and many more. Bouquets will vary in colors and varieties each week as the flowers and seasons change.

WHAT YOU GET

Bouquet Shareholders will receive one hand-tied bouquet per week. This mix of long-stemmed, fresh cut flowers and foliage will be sleeved and ready for your favorite container.

Bucket/Business Shares will be made to fit your individual needs. We will provide enough loose fresh cut flowers and foliage for you to design your own arrangements. Whether you need arrangements to decorate your home, B&B, or restaurant this share is for you! The share will be the same each week.

PICK UP OPTIONS

Our growing season is typically from mid-June - mid October. 12 and 16 week shares will be consecutive weeks of pickups starting as our product is readily available. 8 week shares can be consecutive weeks or bi-weekly. We will contact you at the beginning of the season to inform you of your start date. See pick up locations and times listed on back.

PAYMENT

A minimum down payment of 25% is due upon signing up for a subscription. All memberships must be paid in full prior to the first pickup. Cash or checks are accepted. Please make checks payable to Flower Fields Forever.
